

**Product benefits**

- high viscosity
- ashless

**Applications**

MOL Aero 22 is high viscosity engine oil designed to meet the lubrication requirements of aeroplane- and helicopter piston type of engines.

**Specifications and approvals**

Viscosity grade: SAE 60  
API SC  
MIL-L-22851  
GOST 21743-76

**Product description**

MOL Aero 22 is a product formulated with highly refined base oils containing ashless detergent-dispersant, oxidation-, corrosion inhibitors, anti-wear and viscosity modifier additives.

As a result of the special composition it meets the unique operational requirements of piston aircraft engines.

The high viscosity reduces the flow-back rate and the ashless dispersant additive reduces sludge formation at high temperatures.

**Typical properties**

Properties	Typical values
Density at 15°C [g/cm <sup>3</sup> ]	0,893
Kinematic viscosity at 40°C [mm <sup>2</sup> /s]	298,0
Kinematic viscosity at 100 °C [mm <sup>2</sup> /s]	23,00
Viscosity index	105
Pour point [°C]	-21
Flash point (Cleveland) [°C]	290

The characteristics in table are typical values of the product and do not constitute a specification.

**Storage and handling instructions**

Store in the original container in dry, properly ventilated area. Keep away from direct flame and other sources of ignition. Protect from direct sunlight.

During transport, storage and use of the product follow the work safety instructions and environmental regulations relating to mineral oil products.

For further details please read the Material Safety Data Sheet of the product.

Engine oils are finished lubricant formulations where additional additives are unnecessary and may result in unforeseeable adverse effects. The manufacturer and distributor shall not be held liable for such possible damages.

In the original container under the recommended storage conditions: 60 months

Inflammability hazard: Grade IV.

Recommended storage temperature: max. 40°C

***Ordering information***

**SAP code and packaging:**

13006009 216.5 l steel drum

13007262 Road tank car
